

# 2020 Edified Energiser Grants

## HELPING YOU TO HELP OTHERS

We believe deeply in the power of education to transform the lives of individuals and communities. We also believe that powerful change can be led by individuals with passion and commitment. That's why we've created the Edified Energiser Grants (EEGs). To energise people with passion to go on to improve education in their communities.

EEGs are worth A\$5000 each and are awarded to individuals or groups with a compelling and achievable plan to improve education for their community.

What's a community? That's up to you. It could be your home town, your home country, or even the whole world. It could be a group of people defined by their demographics – like children in remote areas, or adults working in health. It could be a virtual community. But it can't exclude people on the basis of race, faith or sexuality.

EEGs are open to people of any nationality (domestic and international) who are currently studying at, or have graduated in the last 5 years, from an Australian, New Zealand or UK Higher Education, Vocational or English Language institution (part-time, online and offshore campuses accepted).

### GRANT CATEGORIES

#### 1. General

A project to improve any type of education

#### 2. Safety, health and wellbeing

A project to improve education in safety, health or wellbeing

#### 3. Women and gender equity

A project to improve education for women or about gender equity

### DEADLINE

- 5pm AEST, 31st October, 2020

**Do you have a plan? Apply now. To apply go to [www.edified.com.au](http://www.edified.com.au)**

If you're shortlisted you'll be expected to personally present your plan to our panel (via Zoom).
