

SUMMER 1 & 2 - 2020

Name of Institution	PONTIFICIA UNIVERSIDAD CATOLICA DE VALPARAISO																																																																														
Type of institution	UNIVERSITY																																																																														
Location	VALPARAISO, CHILE																																																																														
Name of the course/program	SUMMER 1/ SUMMER 2																																																																														
Objective of the program	The purpose of these programs is to develop the intercultural communicative competence of the students under a total immersion/interaction context providing different locations of learning: the city, the family, the university where international students can develop their linguistic and cultural competences and skills.																																																																														
Study and live in Spanish in Valparaíso, Chile	At PUCV, for more than 20 years we have provided and supported international students with different academic and experiential scenarios for them to develop their competences and skills in order to have a second language and interact in our culture. In this sense, we take a real advantage of the total immersion context where students study, live, and travel, intending, differentiating, and assessing international and intercultural learning outcomes during her or his staying in PUCV, Valparaíso, Chile.
