Reports To:	Regional Lead, North Asia
Location:	Based in Seoul
Direct Reports:	Nil
Tenure:	Full time fixed term
Budget Responsibility:	Nil
Last reviewed:	December 2016

Organisational Statement

Education New Zealand's purpose is to take New Zealand's education experiences to the world for enduring economic, social and cultural benefits.

Education New Zealand (ENZ) aims to help our industry achieve growth through our research and marketing programmes, collaboration with our international education partners, our involvement in student recruitment and business development initiatives.

Group Purpose

The purpose of the International Group is to lead and coordinate:

- The provision of market intelligence and targeted advice and support to ENZ's Strategy and Insight Group, the Industry Development Group and the Student Marketing Group and to the NZ international education industry;
- Input into the country and regional activity annual planning process;
- Support to the education industry in establishing and maintaining relationships with foreign education institutions;
- Introductions to possible offshore partners in relation to opportunities that could lead to growth/business outcomes;
- Influencing key decision-makers – including foreign governments and associated agencies – to ensure a positive perception of New Zealand education and the on-going removal of barriers to recruitment and to enhanced education cooperation; and
- Leveraging two-way high-level visits for education outcomes.

Purpose

The Senior Market Development Manager – Korea is responsible for the identification and delivery of opportunities in country for the New Zealand export education sector.

Our Ways of Working

Be rich in ideas and confident in the team's ability to turn them in to realities. Be courageous. Constantly challenge what's gone before and help shape what's coming.

Get involved. Be inclusive. Respect opinions, relish feedback. Listen, really listen. Discuss. Understand. Refine. You are restricted by the limitations of what you know. But, with an open mind, those restrictions disappear.

Know that we are amongst the most knowledgeable, passionate and innovative people in our industry. Each of us is talented. But together, we are world class. It's through our individual actions that we'll find success together.

Role specific competencies

The Senior Market Development Manager should demonstrate the following competencies:

Business Acumen

Knows how businesses work; knowledgeable in current and possible future policies, practices, trends, technology, and information affecting his/her business and organisation; knows the competition; is aware of how strategies and tactics work in the marketplace.

Cross-Cultural Agility

Knows how to work the local culture; is not afraid of committing to a course of action to get started; has the courage of his/her convictions; understands the need for flexibility; won't let unresolved issues drift engages in-country locals in dialogue about how to get things done; is willing to start something and make adjustments along the way; is not afraid to try something never done before.

Customer Focus

Is dedicated to meeting the expectations and requirements of internal and external customers; gets first-hand customer information and uses it for improvements in products and services; acts with customers in mind; establishes and maintains effective relationships with customers and gains their trust and respect.

Global Business Knowledge

Understands business on a global scale; understands what works in many countries; understands what's different from country to country; understands global differences in customers; knows how capital flows and operates internationally; understands that different laws and regulations govern global business; is learning agile; understands that different approaches work in different places.

Innovation Management

Is good at bringing the creative ideas of others to market; has good judgement about which creative ideas and suggestions will work; has a sense about managing the creative process of others; can facilitate effective brainstorming; can project how potential ideas may play out in the marketplace.

Integrity and Trust

Is widely trusted; is seen as a direct, truthful individual; can present the unvarnished truth in an appropriate and helpful manner; keeps confidences; admits mistakes; doesn't misrepresent him/herself for personal gain.

**Motivating Others**

Creates a climate in which people want to do their best; can motivate many kinds of direct reports and team or project members; empowers others; invites input from each person and shares ownership and visibility; makes each individual feel his/her work is important; is someone people like working for and with.

Peer Relationships

Can quickly find common ground and solve problems for the good of all; can represent his/her own interests and yet be fair to other groups; can solve problems with peers with a minimum of noise; is seen as a team player and is cooperative; easily gains trust and support of peers; encourages collaboration; can be candid with peers.
