

There will be some minor adjustments to the timetable, but essentially this is how the evening will run.

Date: Tuesday May 29, 2018, 8pm – 11pm

Venue: Warehouse on Watts
923-29 N Watts St
Philadelphia PA 19123
[Map](#)

Transport: Guests will be responsible for getting themselves to and from the function.

- 25-minute walk from convention center or \$6 Uber.
- Advise not to walk home as area is not well lit or busy.

Ticketing: All guests have been emailed a copy of their confirmation/ticket which includes their QR code to scan on arrival at the venue. If you have additional guests you would like to invite please see the ENZ team on Tuesday to organize registration (upon registration guests with auto receive email confirmation/ticket)

Tone: Super casual, fun, relaxed, atmosphere reminiscent of a New Zealand student flat (funky but not gross).
Good food & NZ wine, interactive games, a greenscreen photo booth and cocktails.
As always we want guests to leave happy and with a greater understanding of what makes NZ tick.
The objective of the event is to create a relaxed, interesting, and fun get-together for our industry friends, hence the focus on interactive activities:

- Performance by mellow jazz band
- NZ food and wine – a showcase of the best NZ agriculture, aquaculture and wine making.
- Game stations; pool, gumboot toss, ring swing.
- Greenscreen photo booth featuring iconic NZ scenes as backdrops
- Selection of contemporary NZ music on iPod.
- Selection of NZ prizes given away during evening
- NZ Quiz – Hat draw toward the end of the evening. 6 questions on paper with multiple choice answers

1. There is an advertisement somewhere in this room for an iconic NZ product. What is the product?
2. What is Te Reo Māori?
3. How old is the Prime Minister of New Zealand?
4. Education/student question
5. Education/student question

Waiata: We will once again enthrall our guests with the performance of a waiata straight after the words of welcome at the NZ reception on Tuesday evening. Lisa will conduct with Kenneth on guitar.

Linked [here](#) is the music to Hine E Hine. Please start learning your words - it would be wonderful for us to be making eye contact with our guests rather than singing into a sheet of text! For those who are confident singers, it would be great to add the harmonies in the bass, tenor and alto parts. Have a go at learning those parts if you can and we'll see how it feels at rehearsal during our Monday briefing. All others should practice the main melody in the soprano line. We're looking forward to it!
